

# ATA Business Insights

Join us for our free quarterly webinar to gain business insights to help shape strategies, solve problems, and/or grow your company.

THIS QUARTER'S TOPIC:

## Supercharge your business with an Innovation Strategy Session.

You have goals for 2021 and are wondering how to accomplish them. The head of ATA's new creative arm will share what he has learned from working with Silicon Valley startups and even the White House.

- Bring right brain thinking to your left brain organization
- Learn a new brainstorming technique to multiply the good ideas you generate

## You're invited!
